

I PRESENT TO YOU A GOAL

Game to learn more about the Sustainable Development Goals and try to explain what we have learned to others

WE ARE DIVIDED INTO SMALL GROUPS. EACH GROUP CHOOSES A GOAL OF P. (CLEAN WATER AND SANITATION, RESPONSIBLE CONSUMPTION AND PRODUCTION, CLIMATE ACTION, LIFE BELOW WATER, LIFE ON LAND); read and look at the contents of that objective in the LEARN section.

[10 minutes]

Make a billboard: get 1 billboard, newspapers and magazines, markers. Look for articles, images, writings that refer to the chosen objective (if desired, you can integrate them with drawings or writings, keywords), cut them out and make a collage. If you want, each group can come up with a slogan to promote the realization of the chosen goal.

[30 minutes]

Once the groups have finished the posters, each group chooses a representative who explains to the others what the chosen objective is about

[5 - 10 minutes per group]
